

# Excellent outcomes for Ormiston Academies Trust

This year results have improved for students across the Trust with successes from age 4 to 18.

OAT has always sought to tackle the toughest challenges in education and these results demonstrate the positive impact our work is having, with improved outcomes for students across our growing network of academies.

We have seen some truly inspirational stories across the Trust at all levels and have achieved the best ever A Level results to-date, with more students heading off to university and onto prestigious apprenticeship programmes.

We continue to make good progress at GCSE. Maths has increased and we have continued to maintain high standards in English. The Trust is always determined to make the biggest difference, so we are also delighted to see that at GCSE disadvantaged students are doing better than ever.

## PRIMARY

Phonics results **HIGHER** than the national average for a second year

Key Stage 2 SATs up by **25%**

EYFS results **HIGHER** than the national average for a second year

## GCSE

Improved Maths results and high standards maintained in **English**

Attainment **UP** for disadvantaged students

students achieved **GRADE 9** across the Trust

## A LEVEL

Oxbridge, Russell Group and medical enrolment **higher than ever**

Over a third of OAT A Level student entries **graded A\*-B**

Attainment **UP** in all OAT academies

OAT's vision is for all young people to have access to the highest academic, social and practical skills required to achieve their full potential and we are delighted to see significantly improved outcomes across the Trust at both GCSE and A Level.

I would like to thank everyone in the OAT family for their continued work to ensure that our students have access to the very best education, helping to raise their aspirations and broaden their horizons.

As we look to the future we want to build on these achievements to move to the next level, so that even more children and young people can benefit from the high-quality education our academies provide.

Nick Hudson, Interim Chief Executive Officer – Ormiston Academies Trust (OAT)
