

Ormiston **Endeavour** Academy

[OAT]
Ormiston Academies Trust

AN OAT ACADEMY

“

I enjoy coming to this academy because it's helping my confidence and I'm learning something new every day.

Year 9 student

POSITIVITY

NO EXCU

Welcome

Thank you for your interest in Ormiston Endeavour Academy. We are passionate and committed to providing the young people of our community with the very best opportunities to achieve and develop their own abilities to the full - academically, personally and socially.

Our enthusiastic and determined staff recognise the need to remove all barriers to learning and, through providing both the support and challenge individuals need, are aspirational for all learners throughout the academy.

We strive for excellence in all we do and this is reflected in the high expectations we have of the whole community. We value the views of all members of our community and recognise that success is always built upon effective and productive relationships between staff, students and parents.

We are hugely proud of our achievements and always welcome the opportunity to celebrate the hard work of our students - we would be delighted to share this work with you and warmly invite you to take a tour of Ormiston Endeavour Academy.

We Endeavour. We Succeed.

Jamie Daniels, Head of School

SES

Our sponsor

Ormiston Academies Trust (OAT) is proud to be the sponsor of Ormiston Endeavour Academy.

OAT is a not-for-profit multi-academy sponsor with a family of academies across England. It believes that every school and community is unique, so does not impose a 'one size fits all' approach to teaching and learning.

OAT academies are encouraged to respond to the needs of their students and their community. OAT supports its academies to share good practice and is committed to giving their staff increased opportunities for professional development.

Ormiston provides a balance of focused support and challenge when required, but also a sufficient degree of autonomy to allow the academy to develop its unique offer.

As an Ormiston academy, Ormiston Endeavour:

- Shares its talents and best ideas with others in the network;
- Collaborates with a network of academies from across the UK;
- Gains strong results with the help of a dedicated school improvement team;
- Retains its unique personality;
- Works with a sponsor that invests in the future of education.

Achieving more together

Vision and values

- **We endeavour** to recognise and release the full potential of the whole community.
- **We succeed** by enabling all to achieve their dreams.

- **We endeavour** to ensure that all learning opportunities are engaging and challenging.
- **We succeed** by creating a culture of confident life-long learners.

- **We endeavour** to demonstrate that there are no barriers to learning.
- **We succeed** by creating a culture where excellence is standard.

- **We endeavour** to model persistence, resilience and optimism in all areas of academy life.
- **We succeed** by creating a culture with a positive attitude to learning.

POSITIVITY
NO EXCUSES
ALWAYS LEARNING
HIGH EXPECTATIONS

I like this academy because you feel more independent and more responsible, and the teachers are really friendly.

Year 7 student

Houses

We have invested heavily in ensuring every child feels confident, secure and challenged.

As part of one of our three houses, every child contributes to our success and enjoys the benefits of our rewards system.

The views of our students make sure that we serve their needs well and so we have a strong Student Voice structure. The Endeavour Ambassadors scheme enables students to contribute to the direction of the academy and feel they are able to hold leadership roles from an early stage.

Holmes

Dame Kelly Holmes is a British middle-distance athlete and double Olympic gold medal winner. *"Kelly's personal and business goals continue to evolve and her vision and energy has no bounds."*

(Adapted from her biography on www.kellyholmes.co.uk)

Redgrave

Sir Steve Redgrave is a British rower and five times Olympic gold medal winner. *"The world's most outstanding rower of all time after his Atlanta victory."*

(Adapted from his biography on www.steveredgrave.com)

Adlington

Rebecca Adlington is a British swimmer and double Olympic gold medal winner. She is Britain's first Olympic swimming champion since 1968. *"She has set out a vision that will prove to be her biggest challenge to date."*

(Adapted from her biography on www.rebeccaadlington.co.uk)

Engage and apply

The relationships we develop with parents and children make a difference to every child's learning experience. Regular letters home, newsletters, a parents' forum, social media and the website are all part of our regular communications with parents. We hold our open evening early in October each year. You can also contact us to arrange to tour the academy during a normal working day.

The latest version of our Admissions Policy can be found on our academy website.

All Year 6 students are invited to our Induction Programme in July to prepare them and build their confidence, before they join us in September.

To find out more or arrange a tour, please contact office@oeacademy.co.uk or visit our website and select **Become an Endeavour Student** from the **Contact Us** menu.
