

## **Information for Parents and Carers**

At Ormiston Endeavour Academy we are committed to working with you to ensure that your child is able to make confident decisions about their options and at the end of Year 11.

We will cover the range of options that are available, including sixth form, college, university, apprenticeships, employment and volunteering. Our local Further Education Colleges, Universities, employers and our alumni are invited in to school to help us carry out a range of careers and enterprise activities for students. Students take part in PSHE lessons which covers careers from Year 7-11 and access individual careers appointments with our qualified Careers Advisers in Years 11. In addition to this we run a programme of careers and enterprise events each year, which include Careers day, Year 10 work experience, employer talks, college and university talks and visits, guest speakers in assemblies, school trips and workplace visits.

We welcome the opportunity to speak to parents at our open events, Post 16 Evenings, options evenings and parent's evenings and encourage parents to contact Mrs Fosker, Careers Leader, to discuss specific aspects of our careers provision or should they have any queries relating to their child. Telephone: 01473 464545 Email: [v.fosker@oeacademy.co.uk](mailto:v.fosker@oeacademy.co.uk).

We are always pleased to hear your feedback on the careers activities that your child has taken part in and to also receive any general feedback on our Careers programme at Ormiston Endeavour Academy. Please forward your feedback to our Careers Leader, Mrs Fosker.

We believe that by working with you, and ensuring that all students receive a high level of careers information, advice and guidance, that they will be best placed to make decisions about their future.

### **Useful Careers Websites**

There are a number of website resources under the Careers section of our website that you may wish to explore with your child at home. In addition to this, there are some further websites below which we hope you will find useful.

- [www.parentadviser.co.uk](http://www.parentadviser.co.uk) – information on university league tables, student finance and the university application process.
- [www.careersadviceforparents.org](http://www.careersadviceforparents.org) - Information for parents and carers on careers advice to support their children sourcing information and help and deciding on their career path.
