

Word	I have not heard of this word	I have heard of it but do not know the meaning	I have heard of it and I think the meaning is this
Purpose			The reason for which something is done or created.
Stewardship			The job of supervising or taking care of something, religious people see it as looking after the environment.
Green Pilgrimage sites			Green pilgrimage sites are pilgrimages sites (sites of religious importance) that try to make sure that they are looking after the environment
Humanism			Humanism is an outlook which gives importance to human beings rather than supernatural beings.
Existentialism			The philosophical theory that emphasises that we are free to make our own choices as individuals but must take responsibility for ourselves and our actions.
Absurdism			That life makes no sense and that we must live with this understanding of life.
Feminist existentialism			The idea that women should rid themselves of the role that history has placed upon them and be free to choose their purpose as men are
Free will			The idea that we are able to make our own choices in life.
Determinism			The idea that all events including human action are determined by causes outside of our control. That it is impossible that any other decision or action could have been made.
Pre-destination			The idea that it has already been decided who will be saved on judgement day before we have even lived our lives. That God knows all the decisions that we are going to make before we do.
