Wednesday 27 th September	Post-16 Evening, 16:30-18:30
Thursday 28 th September	
Friday 29 th September	

Post-16 Evening, Wednesday 27th September – Mrs Fosker

We are holding a Post-16 Information Evening on Wednesday 27th September, 4:30pm-6:30pm and all Year 10 and 11 students and parents are welcome. During this event your child will have the opportunity to speak to an array of post-16 providers, employers and universities. The purpose of the evening is to encourage students to start to think about their next steps after they leave Ormiston Endeavour Academy. The evening will also help your child develop an insight into the knowledge and skills required when moving on from school into post-16 provision. All students are now expected to stay in some form of education or training until the age of 18; this event will provide them with an appreciation of the options available to them when they finish their GCSEs.

The event is open to both year 10 and 11 students, as we feel it is important that your child starts to consider and engage with their career aspirations as early as possible.

Extra -curricular activities – Mr O'Donnell

On Tuesday students will have the opportunity to sign up for a range of extra-curricular activities. Music clubs are beginning next week (see below) and sports clubs have already started.

Music clubs – Mrs Bienikova

After school music extra-curricular activities start next week.

Peripatetic Music Lessons – Mrs Bienikova

Peripatetic lessons are still available. If students are interested, they can collect letter from myself or the school office.

GCSE Computer Science Revision – Ms Nyoni

Sessions start on Wednesday 27th September after school and will run fortnightly. The first session will cover Computer Architecture and Memory.

In order to support Year 11 students we have asked them all to do download python 3.10 (and above) in order for them to practise their programming skills to support their GCSE papers.

Key contacts

A reminder that any contact with school needs to be made initially through form tutors. You can find your child's form tutor's contact details by clicking here: <https://ormistonendeavouracademy.co.uk/our-academy/staff>

PE kit reminders – PE Department

Please can you ensure that all items of kit are named, so that if we do find any we can return them to your son / daughter. Also a reminder that cycling shorts and leggings are **not** part of our PE kit and should not be worn. Sanctions will be given for students without the correct PE kit, unless of course, you are waiting for delayed items from PMG. Thank you for your support.

After school sports – PE Department

A sports timetable has been given to all tutors who have now shared this with your son/daughter. Please encourage them to take part in our extra-curricular activities.

Year 7 Online Assessments

Assessments are continuing this week. As mentioned in last week's bulletin, students will need headphones to complete these tests. While sets will be provided, students are welcome to bring their own headphones into school should they prefer. Please ensure they have a standard 3.5mm connection.
