Flu Vaccinations

The link for the flu immunisations for parents has now expired. If you would like to ensure your child receives the vaccine on Monday, please call the team and give verbal consent by calling 01462-427008.

Parking

With the changes to our Academy day and an increase in parents collecting children by car at 3pm this is creating some issues for the parents of pupils at Thomas Wolsey Ormiston Academy. In order to ensure that these pupils, many of whom have significant mobility issues, can safely be picked up could I ask that any parent driving to collect students from Endeavour only use the parking bays to the left of the vehicle entrance. The spaces to the right are exclusively for parents of Thomas Wolsey pupils. Many thanks for your support with this.

Parentmail and Payments

We are aware of the issues some parents have been experiencing with payments not registering on our systems in the Academy. We have been working with the company to solve these issues and as of Friday afternoon have been informed this is now working correctly. There may be a slight delay whilst the backlog of payments are processed, but we have been reassured the initial issue has been fixed. If a student does experience any issues at break or lunchtime, please ask them seek assistance from a member of staff on duty.

Calculators

We no longer sell calculators directly through Parentmail. If you need to purchase a scientific calculator for your child, the current best value appropriate GCSE-ready calculator is [here](#) on Amazon.

Year 7 Settling In Evening, Wednesday 18th October

Parents of all Year 7 students will receive an invitation in the coming days to attend a meeting with their child's form tutor or a member of the academy's senior team. This is an opportunity to have a face-to-face conversation regarding how your child's first few weeks have gone. If you are unable to attend the meeting or would prefer to carry this out online at the given time, please contact us.
