PSHE Update

After Easter students will be taught the following topics should you wish to discuss them further at home:

- Year 7 - Keeping Safe with a focus on First Aid, Fire, Water and Rail safety.
- Year 8- Drugs, Alcohol and Peer Pressure and Money Management.
- Year 9- Addiction and drug awareness, addressing extremism and careers and work experience launch.
- Year 10- Careers and work experience including use of UniFrog to support writing CV's and covering letters, Revision techniques and personal finance.

Year 8 History Visit

Thank you to all students who participated in the visit days this week. The staff who delivered sessions at the museum were incredibly impressed with students for their engagement and interest throughout the day. They were amazing!

Year 11 Revision

A number of revision activities are taking place over the Easter break. Details have been shared with Year 11 parents in previous messages via parentmail.
