Welcome Back, Mr Daniels

Students have made a fabulous start to the new year and it has been brilliant to see them settle into new classes – and, in the case of our new arrivals in Year 7, a new school – so well. I would like to take this opportunity to thank all parents for their support in ensuring that the start of the year has been so positive.

If you need to contact the academy for any reason please do so. Our main reception can be contacted during the academy day by phone (01473 464545) or email (office@oeacademy.co.uk).

Teaching staff, form tutors and members of our pastoral team can also be contacted via email and some key contacts are given below for ease of reference.

Please be aware that whilst we always aim to respond quickly to queries, it is not always possible for staff to respond immediately, due to timetable and diary commitments. Thank you for your patience in these situations.

Year 7 – GL Assessments

Students in Year 7 will be completing a range of online assessments over the coming weeks. Students do not need to prepare for these assessments and the information gained will be used to help planning and preparation of lessons for the coming year. Headphones will be required for some of these tests and will be provided by the academy, however some students may choose to bring their own headphones to school if they prefer; please ensure they have a standard 3.5mm connection.

Open Evening, Wednesday 25th September

In order to allow the academy to prepare for our annual open evening on Wednesday 25th September, students will have a slightly shortened school day. All students will be dismissed after lunch and tutorial at 14:00. Some students will be invited to return to the academy later in the evening to support the open evening; contact will be made with the parents of these students in the coming weeks for permission.
