Welcome to the first edition of our Parent Newsletter from the Year 8 team!

The purpose of this newsletter is to highlight key points of information which are specific to your child's year group. We hope you find these interesting and useful. As ever, if you have any suggestions or feedback regarding our communication please do get in touch.

The usual weekly bulletin information is also included at the end of this newsletter.

Girls' Netball Tournament

Our Year 8 Netball Team won their first tournament of the year, winning all 5 matches! Gracie S also managed to achieve 'Player of the Match', 5 times during the games. The girls were absolute superstars and have really done us proud. Keep up the winning streak girls!

Boys' Football

During this first half term, our boys football team have taken on other schools in a match. Despite the boys losing, they showed great team spirit, resilience and maturity. Just prior to half term the boys won 3-2 against Westbourne! Man of the Match was awarded to Toby J. What a brilliant way to end the half term, and a brilliant effort from all of our boys. Amazing work!

Food Technology

Year 8 have completed some fabulous work in Food Technology so far this term. A particular well done to the students below for their great work and presentation!

Footloose Trip

Some of our year 8's spent a Tuesday night at the Wolsey Theatre, watching a production of Footloose! All students represented Endeavour wonderfully, and all of them had a great time singing and dancing along to the musical.

Open Evening – Thank you

Lots of our Year 8 students helped out at our annual Open Evening. This was in a variety of subjects, educating new students and parents about what happens day to day at Endeavour. All of the students who helped out were incredible, and an absolute asset to our school community.

Enrichment Day

For Enrichment Day, Year 8 took part in a range of activities, including:

- A Crime Scene
- The Globe Theatre trip
- Ipswich Town Football Club Workshops
- Trips to Foot Golf
- Food Tech Halloween Cooking Workshops
- Drama Workshops

Students were fabulous at getting involved on the day and we look forward to the next one in February!
