Tuesday 21 st January	
Wednesday 22 nd January	
Thursday 23 rd January	Year 11 Catering Practical Exam (Group 1)
Friday 24 th January	Year 11 Catering Practical Exam (Group 2)

Kindness is Contagious

Further to last week's bulletin, we will be continuing our work on fostering kindness during this term. Students have been fabulous this week, embracing our invitation to 'say hello, wave goodbye'. Next week, we will develop our work further, considering how we can demonstrate kindness through taking care of our environment and reducing the amount of litter on the school site.

Year 7 and 8 Enrichment Choices

Just a reminder to return the online form which has been shared to let us know what your child's preferences are for Enrichment Day in February. The deadline for the form to be returned is Monday (20th January).

Hop to It Art Competition Update, Ms Thorpe

The "Hop to It" art competition is officially closed, and we want to thank the 286 participants for their creative submissions for the St Elizabeth Hospice Hare sculpture. We were truly impressed by the effort and talent demonstrated by all.

After careful deliberation, 76 entries have been shortlisted for the semi-finals. If your child's design was selected, they should have already received a certificate (via email to parents/guardians). These 76 entries will now move forward to the second round of judging, with finalists to be announced in the coming weeks.

Thank you once again to all the artists involved!

Book Trolley, Ms Froede

Thank you for the responses that I have received from the reading survey last term. This has really helped to gain a clearer picture on where we stand with reading. As a result of the survey, we have launched a book trolley initiative, which students can access at lunch time every Wednesday and Thursday. Students will be able to borrow a book from the trolley, which they can take home to read.

Art Department

The Art Department is seeking donations of empty mushroom containers, ice-cream tubs, unused wallpaper, and newspapers for upcoming projects. If you have any of these items gathering dust, we would greatly appreciate your contribution! Please drop them off to the crate situated in room G.48. Thank you for supporting our students' artistic endeavours!
