Thursday 27 th March	
Friday 28 th March	Day 1 of Duke of Edinburgh Expedition

Comic Relief

Thank you to everyone for support raising awareness and funds for Comic Relief. Nearly all of our students and staff participated, including many who shared their 'dream job' by dressing up. Funds raised through student donations will be given to Comic Relief.

Equipment Reminder

Students are encouraged to come to school each day with a well-stocked pencil case. There are a few items, however, that all students benefit in bringing as a minimum each day. These include:

- Pencil
- Pen (and a spare!)
- Ruler
- Rubber

We recommend that students bring a pencil case containing these items along with a scientific calculator. We recommend one of the two models linked below:

[Casio FX-83GT CW Black ClassWiz Scientific Calculator](#)

or

[Casio FX-85GT CW ClassWiz Solar Scientific Calculator - Black](#)

Students should also bring a suitable **school bag** to carry these items. Ideally, the bag should be large enough to fit an A4 file or book.
