Wednesday 2 nd April	Year 11 Celebration Assembly
Thursday 3 rd April	Year 7 Celebration Assembly
Friday 4 th April	Year 9 Celebration Assembly End of Spring Term

Celebration Assemblies

We will be running a series of year group assemblies over the course of the week to celebrate a range of student achievements this term. This complements our recent focus on **kindness**, highlighting the benefits of celebrating our strengths and personal qualities as a way of developing and maintaining good mental health.

St Elizabeth's Hospice – Hop to It! Suffolk 2025 – Stargazer Leverets

Meet Arley, our newest Leverette sculpture! (Photographs overleaf). This incredible piece was brought to life by 19 talented students who worked tirelessly to transform their original designs into a stunning 3D masterpiece.

It was a big challenge, but their dedication and creativity truly shine through. A huge thank you to each and every one of them for their hard work!

We would also like to extend our gratitude to Mr. Roper, the creative mind behind the design! His artistic expertise, spray painting, and meticulous hare outlines played a vital role in making Arley so special. A big thank you as well to Ms. Thorpe for her enthusiasm in coordinating student designs and to Miss Miller for bringing this fantastic opportunity to our Academy.

You can find Arley on the Hop to It! Art Trail in Ipswich from June to August—stay tuned for more details!
