Year 10 Mock Exams

Our first Year 10 mock exams take place next week, with French and Spanish speaking mocks. Please see the schedule below for other Year 10 mock exams, which begin on Tuesday 17th June and continue until Friday 27th. Year 10 will also have their English Language speaking assessments scheduled over the coming weeks and will be given specific timings by their English teacher.

Mock exams are a useful opportunity for students to experience exam style situations ahead of their final formal exams next year. Students have been provided with guidance and support on what to revise and how to do so, and this also provides a good rehearsal for students. If you have any questions regarding the above, please contact your child's subject teachers, form tutor or Head of Year.

A copy of the schedule is included overleaf and has been provided to students in Year 10 today.
