Arbor

Thank you to all parents who have downloaded Arbor. If you haven't yet downloaded the app, please click your relevant app below. Go4Schools and ParentMail will no longer be available after next week. Arbor is needed to top-up dinner money accounts, pay for trips, as well as to view attendance, behaviour and attainment data, change personal details, and receive all in-app notifications (e.g. severe weather issues, detention notifications, accidents and medication updates). If you need further support on how to download and log into Arbor, please see below or call into the office as a matter of urgency. If you already have an Arbor account for a child at another school, you will need to set a new password to be able to select 'OEA' when you log in.

Your chance to win a £50 Gift Voucher

At the Academy we are always keen to learn your views on what is going well and how we might improve things in the future. So, following a busy term we would welcome your reflections on how things are going.

We shall be sharing with you a short survey which should take between 5 and 10 minutes to complete. Following a kind donation, and to recognise your time and support in completing the survey, all parents who respond to the questions will be entered into a prize draw to win a £50 gift voucher. The survey will close at 12pm on Thursday 18th December and the lucky winner should receive the gift voucher in time for Christmas!

Christmas Lunch and Christmas Jumpers – Wednesday 17th December

Just a reminder that on Wednesday 17th December, students may choose to have a Christmas lunch (vegetarian option available). This is the only hot food option provided on the day, however the usual selection of cold food (such as sandwiches and other snacks) will be available. No pre-ordering is required, however please ensure that money is available on your child's parentmail account. Students who get a free school meal will be able to have Christmas lunch if they choose to using their daily allowance to purchase this option.

Early finish

The academy will be closing to students one hour early on the last day of term (Friday 19th December). Students will return for the new term on Tuesday 6th January.

Flu Immunisations

The Flu Immunisation team will be returning to Ormiston Endeavour Academy on Monday 15th December 2025 for a third and final flu vaccination session. This is for children who were absent or didn't have consent during the previous visits. Parents who have not yet responded to the e-consent form are still able to register their CONSENT or DECLINE for the flu vaccination. If your child has received their flu immunisation, please ignore this message.
